

**FIRST EVER IN INDIA AND THE MOST
UNIQUE DESIGN OF THE WORLD,
WE PRESENT TO
YOU**

**PORTABLE, EFFICIENT, UNIQUE & SMART
MUSHROOM CULTIVATION UNIT**

THE MUSHROOM HUT

Designed by: **JAYAA AGRO FOODS, BANGALORE**

STRUCTURAL DESCRIPTION

- **Design and Operation, Economical in Cost**
- **Light Weight, Easy to Assemble & Dismantle**
- **Maintaining growth parameters with great precision**
- **Highly efficient water management system to prevent water wastage**
- **Easy to manage the entire setup on Day to Day Basis**
- **Less utilization of energy hence minimizes your daily operational cost**
- **High Yielding and commercially efficient**
- **First ever mushroom cultivation unit which can be used on Terrace, inside your room in your garden with same efficiency and result**
- **Does not cause contamination while using structure even inside your home**
- **100% safety while using the system**
- **Can be transported to any part of the country**
- **Excellent System to work and learn Mushroom cultivation as a hobbyist or commercial cultivation**
- **Customization as per the requirement of the customer**
- **Shelf Life of the Structure-Minimum 15 years**

TECHNICAL SPECIFICATION

- **Light weight, Sturdy**
- **Can be fabricated to any size based on client specification**
- **It is India's first and World's most unique plug and play model**
- **Least mechanization and hence low maintenance required**
- **Low in operational cost when compared with standard working structures.**
- **Low in water consumption when compared with standard working structures hence can be highly effective in areas with water scarcity**
- **Comes fitted with self sustainable air flow mechanism hence works at its best both indoor and outdoor**
- **First ever Mushroom cultivation unit with its own contaminant control using HEPA system.**
- **First ever Mushroom Cultivation Structure which is best suited for terrace cultivation both for hobbyist and commercial mushroom growers especially new learners**
- **Low production cost and high yield is the most unique thing which gives our model an upper hand when compared to the available models around the world**
- **Can be easily assembled, dismantled and reassembled**
- **Cultivate Mushroom anywhere in the country in any climatic condition throughout the year..**
